d. The Jnanarajendra Veda and Pathasala:--

The Pathasala continued to be held in the rented building belonging to Sri --- Sivaganga Mutha in Tyagaraja Agrahara, Jnanaraja Pet which is central, situated and is quite convenient for the purposes of the Pathasala and local Oriental students. The institution is steadily growing in popularity.

The institution is managed by an --- advisory committee under the direct control of the Mysore Government. Sri A.G. Ayya Brahmasri Vidwan Sastry one of the --- committee members having been transferred to the Mysore Sanskrit College, has since been filled up by the appointment of --- Brahmasri Mantirava Brahmasri Vidwan --- Sastry of Sri Sunda Agrahara and an additional member to the committee. Mr. ... retired Archaeological Chemist to the Government of India has also been appointed. The committee met two times during the year under report for the --- transaction of business besides passing of a large number of subjects by circulation. A total cost of Rs. without any extra grant was sanctioned by Government for the staff of the Pathasala with effect from 1st November 1926. As per report Pathasala works are being good work.

There were at the end of the year under report 16 students and the total

Patasala with a daily average of 40 --- which may be considered satisfactory. Thirty students who have come from the mofussil and have no place to live in have been allowed to live in the rear portion of the Patasala building. The conduct of the students is reported to be generally good.

The curriculum of studies sanctioned in G.O.No.1303/Muz.260-25-2 dated 14-4-1926 is being followed and is reported to be working well.

A scholarship grant of Rs.60/- per mensem ~~fox~~ and a prize grant of Rs.90/- per annum have been sanctioned by Government in the Mysore Budget.

The former supplemented by benefactins from other sources such as Sri Krishnananda Matha and the Mulikinada Sabha at Bangalory is being awarded to deserving students on the results of quarterly and half yearly examinations. During the Ganesha utsav of September 1926 the first annual prize distribution took place under the ~~---~~ Presidency of the Chairman of the ~~-----~~ Committee, Rao Bahadur Raja-Karya Prasakta Mr. M. Shama Rao.

Consequent on the abolition of Annachatrams by the state with effect from 1-1-1927, the annual grant of Rs.800/- to it then being given Annach tram, Bangalore, was withdrawn ordered to be utilized for giving scholarships to the deserving students Chamarajendra Vedic Maha Patasala and the Sri Chamarajendra Sanskrit

Chamarjendra Sanskrit College,, Bangalore in equal proportion. With the moiety of the grant viz.400/- and certain other --- contributions from communal institutions a Hostel for housing 12 deserving mofussil students of the Vedic Pathasala was opened in the Pathasala premises with effect from 1st January 1927. This arrangement is reported to be working well.

The appended Set to Sl. No. 12 gives statistics of other Vedic Pathasalas in the state. Government have recently sanctioned the periodical inspection of these institutions by the Assistant Inspector of --- Sanskrit Education in Mysore with a view to ensure better progress.

XXV Conclusion:--

Owing to the reorganization of Mzrai institutions, the decentralisation of powers under the Mzrai Regulation and the ---- computation of the Mzrai accounts in the Mzrai Commissioner's office and the manage ment of certain Mzrai properties the latter work has considerably increased and the Deputy Commissioners are repeatedly urging for additional hands to satisfactorily cope with the increased work. Although Govern ment have sanctioned the employment of temporary hands so as to relieve the --- congestion of work in Mzrai branches of the District, Sub Division and Taluk offices these were not given effect to as the Mzrai Establishment Fund was under active consideration. expenditure required to place these ----- institutions on a proper basis. A ---- detailed examination has been commenced in regard to the assets and liabilities of the more important institutions and -- strenuous attempts are being made to see that these institutions are not deprived of the full benefit of existing endowments.

In regard to temple servants also -- there is a feeling on their side that -- their remuneration is not adequate and - so far as the general public is concerned these offices are not held in the same - veneration and sanctity as in old times. Dharmakarsis are ordinarily purely ------ advisory bodies and as a rule take no -- interest in improving the resources of the institutions. [There is also an -- increasing disposition on the part of -- persons who are regarded as belonging to the lower castes to push forward their -- claims for equality and these communal - tendencies are likely to lead to some -- dissension and unrest in future.] ------ These observations are sufficient to -- indicate the nature of some of the ---- [serious] problems with which the department is faced and every attempt is made by Government officers within their --- limitations to help each institution -- to be maintained at a proper level.

Muz 98-27-6

To P. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of His
Highness the Maharaja of Mysore,
Financial Department.

SIR,

With reference to your letter No.1172/M.F.98-27-8 dated the 23rd January 1928 requesting to intimate the reasons for the large increase in revenue and expenditure during the year 26-27 as compared with that of the previous year, I have the honor to state that collection of revenue due to Muzrai Institutions was more strictly made in certain Talukas without allowing arrears to accumulate and in addition a sum of Rs. 21724/- which had lapsed during the year 25-26 under Tasdik grants was regranted during the year. This accounts for the increase under receipts.

2. As regards expenditure, special sanction to estimates aggregating Rs.18070-0-0 (Rs.12500 and Rs. 5570) were sanctioned from the Chattram Savings Fund for the construction of Peanalese Chattram and improving the Deaf and Dumb School in Mysore during the year 1926-27. A sum of Rs.9,000/- was paid out of the revenues of the endowed villages within the State to the Swamiji of the Sri Vyasarayaswami Matt for his expenses in addition to the Tasdik grant. Such amounts were not made during 25-26 and the excess under expenditure is on account of these items.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.
